FAQ

Do you allow BYO food and beverage?

We supply all food and beverage, therefore we don't allow BYO. You can however bring your own cake.

Can we decorate the room?

You are welcome to decorate as you wish, please no glitter or confetti.

Can we have earlier access to decorate?

Room hire includes set up time, we suggest you start your party at 7pm to allow 1 hour to set up. If you require more time, please let us know and we will do our best to accommodate. Further charges may apply.

Can we have a DJ or band?

Absolutely, just send us their contact details so we can liaise with them directly to arrange set up and pack out.

Can guests under 18 attend?

Yes, but they cannot drink alcohol unless a parent or legal guardian is with them. I.D is required for all guests purchasing alcohol, and will be checked on arrival. No I.D, no service.
